

Your COMMITMENT to the Youth Ministry programs are important to us; however, we understand that you have other important commitments outside of St. Pat's. This is why we have commitment levels. Spend some time in prayer and discernment about what level you can give of your time.

#### Option A

This is a commitment that focuses more on our Crew programs, specifically our Sunday programming for middle-school and high-school youth. This is generally a weekly commitment which includes program planning and facilitation. These programs are scheduled to meet September to May with breaks for Christmas and Easter.

#### Option B

This is a commitment that focuses on Revolution Ministries small group programming, mainly our two 8-week bible studies during the year. When you commit to this option you are committing to meeting once a week for those 8 weeks. We are not asking you to commit to both bible studies upfront because we understand that your schedules may change.

#### Option C

This is a commitment that is project-oriented and focused on our committee that helps with food for our Sunday programming and the committee that assists in the planning and execution of our summer service camp, Alive in You, and the Steubenville Youth Conference.

#### Option D

This commitment is based on your individual effort. Maybe you are incredibly busy but you could cook a meal for our Sunday programming or come in occasionally as an office volunteer to help with mailings or phone calls.

## Our Programming

### Crowd

It is our mission to reach out to those who do not have a church family inviting each youth into relationship with us and with Jesus Christ.

### Crew

It is our mission to provide a Christ-centered relational environment that will welcome the first timer, pick up the stumbler and rejuvenate the “sold-out” all for the purpose of building the kingdom of God.

### Community

It is our mission to provide opportunities to go deeper into the Word, deeper into the Sacraments and deeper into a relationship with Christ and each other.

### Committed

It is our mission to teach the tools and life skills needed to handle character building circumstances like conflict, disappointment, difficulty and temptation in a Christian manner.

### Core

It is our mission to help each youth discover their God given talents and encourage them into leadership and service in the areas of evangelization, worship, discipleship, fellowship, and over-all ministry.

## Reaching Out

We have a desire to meet each teen where they are on their faith journey. Every youth has different strengths and weaknesses and no one program is going to speak to every youth.

Here is a general breakdown of who we are seeking to reach:

### Crowd

### Community

### Committed
